A LETTER FROM THE TREASURER

Dear Fellow Missourians:

Missouri's General Revenue receipts during February total \$214,760,334, showing a 13.78 percent decline from monthly totals of \$248,974,632. This month's revenue figures are meaningless as a measure of performance for the month because last February was the first month of sales tax collections that included both normal and accelerated collections.

We have no reason to believe there is any dip in base revenue growth during February, but we are not able to estimate the size of that growth.

In contrast to the monthly results, year-to-date figures are now a better indication of actual growth. Up to now the monthly figures had been inflated by the collection changes, but most of that has been "washed out."

General Revenue collections year-to-date stand at \$1,669,966,475 which is a 10.17 percent increase over last year's total of \$1,515,827,554.

Showing the biggest drop for February 1985 was Sales Tax receipts which were down 22.68 percent. Collections for February 1985 totaled \$97,844,798 compared to the \$126,539,514 collected last February. However, year-to-date figures for Sales Tax collections show a 5.82 percent increase over last year for the same time. By the end of February 1984 Missouri had collected \$607,484,153 in Sales Tax, but at the end of February 1985 those collections totaled \$642,849,160.

The only category of income for the state to show an increase for February of 1985 is Corporate Income Tax which is up by 10.81 percent with \$6,134,769 over last February's total of \$5,536,316. Corporate Income Tax collections for the year are up 17.11 percent. Receipts through February are \$100,497,746 as compared to 1984's \$85,812,943.

Individual Income Tax receipts for this February totaled \$86,622,566 which is 2.33 percent less than the \$88,685,349 collected in February of 1984. The year-to-date for Individual Income Tax show receipts are up by 12.41 percent with \$712,782,170 over \$634,115,284 for the same period in 1984.

In the All Other Sources of Income category, the state received \$24,068,201 for this February which is 14.69 percent less than last February's receipts of \$28,213,453. This category also is up in the year-to-date totals of \$213,837,399 which is 13.49 percent over the 1984 total of \$188,415,174.

We do not expect the year-to-date increase to fall off too much more through the end of Missouri's fiscal year.

Very truly yours,

Wendell Bailey

Wendell Bailey
State Treasurer
